Dear Sir

Phytosanitary Requirement on Importation of Wheat from Ukraine to Sri Lanka

This has reference to the communications had with Ms. Olena Feleniuk, Chief Trade Officer, Embassy of Ukraine in the Republic of Singapore on the above subject.

As the phytosanitary requirement on importation of wheat from Ukraine to Sri Lanka, NPPO Sri Lanka has requested that consignment should be free from *Trogoderma granarium* (Khapra beetle). However, we have learnt from Ms. Olena Feleniuk that Ukraine is free of *Trogoderma granarium* (Khapra beetle).

Therefore, NPPO Sri Lanka can revise the import conditions excluding the *Trogoderma granarium* (Khapra beetle) if NPPO Ukraine can make arrangements to provide us an in written one-time notification indicating that Ukraine is a country freedom of *Trogoderma granarium* (Khapra beetle).

Deeply appreciate your effort on resolving the trade issues to facilitate the trade between two countries with amicable manner.

If you need any clarification, please feel free to contact me at anytime.

Thank you
